Sir:

This is submitted in response to the Notice to File Corrected Application Papers dated January 13, 2011 (copy attached herein), which is due on February 13, 2011. Accordingly, this response is timely filed.

Remarks are set forth beginning on page 2 of this paper.

REMARKS

The application has been accorded an Allowance Date and is being prepared for issuance. However, the application is allegedly incomplete. In particular, the Notice identifies allegedly missing information on pages 192-194 of the specification, and requires the Applicant to provide the missing information. No new matter may be added.

Pages 192-194 of the specification in the application are identical to the specification filed in the international application, WO 2005/016894. As such, these pages cannot be amended. Thus, Applicant requests that the Notice be withdrawn and the application proceed to issuance.

In the event that the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, Applicant petitions for any required and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 50-1885 referencing docket No. PAT032910B-US-PCT.

Respectfully submitted,
